

# Sterile Compounding Pharmacies — Planning, Construction and Licensing Guidance Webinar

*Gain insights from CA Board of Pharmacy, OSHPD, CDPH Licensing & Certification*

**Friday, April 21, 2017**  
**10:00 a.m. – 12:00 p.m., Pacific Time**

---

**Effective January 2017, hospitals that perform sterile compounding must meet new regulatory requirements from the California State Board of Pharmacy. Beyond updating processes and procedures, hospitals will be required to improve or reconfigure facilities for ventilation, install new equipment for sterility and ensure employee protections.**

**This process is new and requires collaboration, coordination and a focused approach for successful implementation. CHA has gathered representatives from three California government entities — the Board of Pharmacy, Office of Statewide Health Planning and Development (OSHPD) Facilities Development Division and Department of Public Health Licensing and Certification Program — to share insights crucial to compliant implementation of the sterile compounding regulations.**

**Make plans now to participate.**

---

## Recommended for

Chief operating officers, chief compliance officers, chief pharmacists, plant managers, construction directors and managers, architects and engineers, inspectors of record.

## Agenda

### Board of Pharmacy

- Brief review of regulations
- Waiver process, managing rejections and renewals
- While under construction — strategies for maintaining services
- Project completion and application for new sterile compounding license

### OSHPD Process and New Advisory Guide

- Why sterile compounding projects are not business-as-usual construction
- Highlights of new OSHPD Advisory Guide
- Preparing for construction — planning, process, timelines
- OSHPD project numbers — when to get, what's required, length of use
- Steps to improve the review and speed plan approval

### Licensing and Certification — What to Expect

- Application and approval required — Sacramento's Centralized Applications Unit (CAU)
- Regulatory and statutory considerations
- Using "Mobile Health Care Units" — approval and inspection required
- Project completion and scheduling licensing visit — preparation for final inspection and approval prior to use

---

## Faculty

**Paul A. Coleman**, Deputy Director, Facilities Development Division, California Office of Statewide Health Planning and Development (OSHPD)

**Diana Scaturro**, Supervisor, Rapid Review Unit, Facilities Development Division, OSHPD

**Robert Menét, PharmD**, Chief Pharmaceutical Consultant, California Department of Public Health

*Program supported by:*

*American Institute of Architects California Council  
(AIACC members may register at the CHA member rate)*

# Registration Form

## Webinar: Sterile Compounding Pharmacies – Planning, Construction and Licensing Guidance

Friday, April 21, 2017

10:00 a.m. – 12:00 p.m., Pacific Time

### Tuition

**Members\*** — \$185 (per connection)

**Nonmembers\*\*** — \$250 (per connection)

(AIACC members may register at the CHA member rate.)

Multiple staff can participate from one location for one tuition fee.

\*Members are CHA member hospitals, CHA associate members and government agencies. \*\*Nonmembers are limited to non-hospital health care providers, clinics, post-acute facilities, and consultants, insurance companies, law firms and other entities that serve hospitals. Education programs and publications are a membership benefit and are not available to eligible nonmember California hospitals.

### Continuing Education

CEs are complimentary and available for the registrant only. Full participation in the webinar is required to receive professional continuing education (CE) credit. Registrant must complete online survey, attest to participation and, when required, provide a professional license number.

**Architects** — Application has been made to the American Institute of Architects California Council for approval to award 2 CE/HWS units of continuing education credit for this seminar.

**Compliance** — Application has been made to the Health Care Compliance Certification Board for approval to award Health Care Compliance Association continuing education credit for this seminar.

**Health Care Executives** — CHA is authorized to award 2.0 hours of pre-approved ACHE Qualified Education credit for this program toward advancement, or recertification, in the American College of Healthcare Executives. Participants in this program who wish to have the continuing education hours applied toward ACHE Qualified Education credit must self-report their participation. To self-report, participants must log into their MyACHE account and select ACHE Qualified Education Credit.

### How a Webinar Works

You only need a telephone and a computer with a web browser to participate. Audio for the seminar is accessed through a toll-free number (U.S. calls only). If multiple people will be listening to the program at your office, you can listen via speakerphone. The slide presentation is accessed on your computer via the web.

### Confirmation and Instructions

Upon registration, you will receive a confirmation email including a link to a website containing complete instructions on how to access the program and presentation materials.
