CHA Will Schedule Legislative Meetings on Your Behalf

CHA's advocacy staff will schedule appointments with members of the Legislature on your behalf — primarily group meetings with other hospital executives from your area. Scheduling will be coordinated with input from the Regional Associations. Hospital executives are asked not to schedule meetings directly with representatives.

If you would like appointments with specific legislators from districts other than your own, please indicate your requests below. Every effort will be made to accommodate your requests.

- Do Not Schedule Meetings.** If you will not attend the meetings with legislators on Wednesday afternoon, please check the box and CHA will not schedule appointments on your behalf.

Questions: If you have questions about the appointments or have other special requests, please contact your regional hospital association vice president or CHA Education at education@calhospital.org or (916) 552-7637.
