A Message from our Executive Vice President . . . .

Lynda Bartlett

HAPPY NEW YEAR! I hope it is a happy, productive and healthy one for you all. It doesn’t seem that long since we were wishing each other happy new year for 2015. How time flies! Let’s all approach this coming year with renewed energy and commitment to the Auxiliary, Mission Hospital and our community.

For those who were unable to attend the Holiday Luncheon at The Hills Hotel – you missed a lovely time! Thanks to Administration for recognizing the volunteers in this special way.

I look forward to another year of working with Pat Moy, and also with Sandy Sharp, our new President Elect. The Laguna Beach auxiliary is lucky to have all their service chairs returning for another year. I thank you all for your generosity of spirit in stepping up once more.

Both campuses will again be participating in the Laguna Beach Patriots’ Day Parade in March. No date has yet been set but this year will be a celebration of the parade’s 50th anniversary. Stay tuned for more details …

Again, all good wishes for 2016.

A Message from our Advisor . . . . . . . . .

Sue Marshall

Happy Holidays everyone! I hope this newsletter finds you happy and healthy. I also hope that those who had a chance to attend the auxiliary holiday event on December 8th, all had a wonderful time. I know I did. Aside from the great food, great company, gift baskets, décor, etc., I had a chance to be with some of my most favorite people……all of you. I loved seeing you all dressed up for the holidays, and so many beautiful outfits! Thank you to Sally McMullen and BeaAnn Winters…..you ladies did a wonderful job by making this event very memorable. I appreciate your time, efforts, talent and attention to detail. We are so fortunate to have you as part of our auxiliary. Thank you to all that worked so hard on securing those beautiful baskets too. There were 23 of them this year….Wow! I’m looking forward to a wonderful 2016 and I hope you are too. Thank you for being you and for doing so much to support our hospital. I would be remiss though as we close out this year if I didn’t thank you for all of the kind and loving support that I received from you this past year. It’s been tough at times, but I couldn’t have done it without the hugs, love, and compassion that I received from so many of you. Thank you from the bottom of my heart for everything. You are truly the best and I am proud to be a part of this wonderful auxiliary.

A Message from our President ........ Pat Moy

Happy New Year to our entire Auxiliary family! It was great to see so many at our wonderful Holiday Luncheon. Thank You to the Administration and Sue Marshall for this special event. Also our worker bees Sally & BeaAnn & their crew.

At the start of each year we say goodbye to some leaders and welcome new ones on board. Our group could not function without this generous giving of time and talent. So, thank you to those retiring and I look forward to a successful 2016 with the new and returning leadership.

Light Up A Life Celebration Finals:

Our 2015 Light Up A Life Celebration on Sunday, December 6th, was a very moving and memorable event. Our speaker was our audio/visual expert, Joel Ramatulla, and he told the amazing story of his family's journey through Hospice care with his father. His words and pictures really demonstrated how Hospice care can ease a very difficult time for those caring for a loved one.

We had a great crowd of almost 135 people and we made over $25,000.00 for our Mission Hospital Hospice and Palliative Care unit. Thank you to all of our fellow volunteers who came and supported our efforts and this wonderful service. I hope you had a chance to see the Light Up a Life tree in the Tower I lobby with all those lovely white stars hanging on the branches. We look forward to seeing more of you there in 2016.

Christmas Bake Sale, a Success!!!!!!

Thanks to the committee, Karen Kenny Walsh, Joan Houtz, and Kathy Criner for a job well done. The sale netted $1370.00 and three lucky winners, who just happened to be walking by the venue, “won“ the last three food items at closing time.

Thanks too, to Sandy Sharp and Alice Bruestoff who assisted with set-up and to Kathy Indovina and Elvia Villanueva who along with Kathy and Karen and Joan made up the dynamic sales force. The enthusiasm overflowed into the hallway.

Many commented on the colorful décor, Food Tables and Vintage Christmas and Vendor’s displays and Holiday music that Invited buyers into the room to purchase the delicious and beautifully presented baked goods, candies and jams. The vendor was pleased with her sales and would like to participate again next year.

The BAKERS out did themselves, a big THANKS to all who prepared items to be sold. Vintage Holiday merchandise was given new life with freshening and colorful ribbons and very little was left at the end of the day. The Thrift Store in San Juan was glad to receive such nice quality items to add to their Christmas 50% off Sale..

Thank to All who participated, it was definitely a TEAM EFFORT!

Mark your calendars for December 14, 2016 for the Christmas Bake Sale.

Happy New Year!

Carolyn Aday

A Thank You to the Patient Visitors Team...

Noreen and Cookie will be retiring from our Chairperson positions as Patient Visitors. We have enjoyed being part of the Team and getting to know each of you in a more personal way. These two years have been filled with new changes and challenges, which you have met in the most professional manner.

As volunteers, each of you have taken that one extra step to ensure that the patients you visit have been made comfortable, in not only their hospital setting but emotionally as well.

For this reason, we are most grateful!
We are so fortunate to have Sally McMullen replace us as your Chairperson for Patient Visitors.
We thank you again for all the service that you provide to Mission Hospital.

*******************************************************************************

And a big thank you to Cookie and Noreen for all time and effort.

*******************************************************************************

Thank you to Sally and BeaAnn for all the great programs and luncheons in 2015!!

*******************************************************************************

Thank you to all the chairs who are “retiring” - you have done a super job. And thank you to all who are stepping up to take on the jobs that make us an amazing auxiliary!!!
